8. Billing Name and Address (BNA) Service8.1 General Description

Billing Name and Address Service, hereinafter referred to as BNA, is the provision of a name and address within the Company records to which billing is rendered. BNA is normally associated with a telephone number assigned to a customer and can have one or more telephone numbers consolidated with the BNA for billing purposes. BNA may or may not be the listed name and address or the location of the customer's exchange telephone service.

8.2 Undertaking of the Company

The Company will, subject to procedures established for Customer Account Record Exchange, hereinafter referred to as CARE, furnish the BNA except as described below; (1) when available in the Company data base and (2) whenever a customer initiates a request through such procedures.

The Company will provide a copy(ies) of the CARE publication, as revised or amended, to each customer upon request or when notification to the Company is made regarding establishment of a presence within its operating territory.

The Company will not provide BNA information for unlisted and nonpublished end users who request nondisclosure. Unlisted and nonpublished end users who request nondisclosure of their BNA information will be excluded from making third party or receiving collect calls.

8.3 Liability of the Company

Approval of language by the FCC does not constitute a determination by the Commission that the limitation of liability imposed by the Company should be upheld in a court of law. Approval by the Commission merely recognizes that since it is a court's responsibility to adjudicate negligence and consequent damage claims, it is also the court's responsibility to determine the validity of any exculpatory clauses.

Notwithstanding the provisions of Section 2 of this tariff regarding liability, no liability for damages to the customer or any other person or entity shall attach to the Company for its action or conduct of its employees in providing BNA in the absence of willful misconduct.

Customers are prohibited from disclosing BNA except to governmental law enforcement agencies, authorized billing and collection agents and as described above.

8.5 Rate Regulations
