Hourly Rates & Travel Time

Hourly rates apply from the time the crew arrives on the load site until the time all items are delivered at the unload site.

A travel charge of \$98.00 will be added to all moves to cover travel time to the load site and from the unload site.

Valuation Coverage

Basic Value – Customer will receive minimal reimbursement, as determined by law, at a rate of \$.60 per pound of the damaged item, and only that item, due to neglect or mishandling by the mover. There is no charge for this coverage.

Depreciated Value Protection – Customer may purchase this option to cover damages up to the depreciated value of the damaged item, and only that item. Coverage does not extend to matching sets and matching items.

Charge is \$3.00 per \$1,000.00 declared value.

Replacement Value Protection – Customer may purchase this option to cover damages up to the replacement value of the damaged item, and only that item. Coverage does not extend to matching sets and matching items.

Options with deductibles:
